

Task Set: Animals

(Colors and designs may vary)

Skills addressed by the Animals task set include:

- reading
- visual discrimination
- fine motor
- packaging
- reading comprehension
- number skills

What is included?

The Animals task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, trace, and apply Velcro (included!).
