

Match and Sort

(Materials may vary)

Skills addressed by the Match and Sort task set include:

- visual discrimination
- fine motor
- reading
- packaging
- concepts

What is included?

The Match and Sort task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, and apply Velcro (included!).
